## What is the Eisteddfod?

**We're a friendly, warm and inclusive festival, and an eclectic celebration of our language and culture, and we're looking forward to attracting up to 170,000 visitors to Rhondda Cynon Taf in 2024**

We're a celebration of all the arts, with activities that include music, visual arts, literature, street theatre and dance, science and technology, children's activities, folk music and culture and much more! Something for everyone throughout the week

**Ynysangharad Park** in the centre of Pontypridd will provide a focus for most activities and pavilions, and the Maes will also include parts of the town itself, creating an urban, alternative, and exciting Eisteddfod, combining the local area with the festival itself and creating an unique experience for visitors and residents alike

We're one of the largest community projects in Wales, and there's a warm croeso for anyone who'd like to join us. We're working across Rhondda, Cynon and Taf to raise awareness and funds, so get in touch to find out more!
